REGISTRATION PROCESS

Create a Profile Through IMLeagues
All individuals must use their Illinois State University email address and student identification number to create a profile in IMLeagues, which allows them to join/create teams.

- Tutorial

Register a Team
1. Create Team
2. Invite Team Members
3. Pay Online
4. Pick a Division

Any team name that incorporates the following will be changed to the last name of the Captain. From there, it’s the responsibility of the Captain to choose a new name.

- Any alcohol/drug reference
- Illegal activity
- Sexual innuendos
- A play on words that eludes to indecency, obscenity, or profanity that could be deemed as offensive to members of the general public who hear/read it. Context is paramount in determining whether any particular word or phrase will be considered indecent, obscene, or profane.

Play as a Free Agent
Individuals who do not have a team still have an opportunity to participate in their sport of interest via the free agent option on IMLeagues. Those who want to be added to the free agency list can log onto IMLeagues at any time and add their name and information to the list. It is not guaranteed that a free agent will be able to join a team.

- Follow this tutorial to complete the process for registering as a free agent.

Affinity Groups
- Men’s – Teams comprised of individuals who identify as men only
- Women’s – Teams comprised of individuals who identify as women only
- Coed – Teams that must have a specific ratio for men and women
- Open – There is no specific ratio for men and women

Additional Information
- Registration opens at the start of the semester or when a sport is introduced and runs through the Wednesday before the season starts. During this time, teams may be paid for online or in person at the Student Fitness Center (SFC), and then moved into divisions. It is recommended that teams register early in the registration period as spots fill on a first-come, first-served basis.
- An individual may play on one gender-specific and one coed/open team per sport. Once a player has checked in and played for a team, they may not switch to another team in that league. Players may be added to a team roster at any point (pool play, regular season, or postseason).
• All captains and participants are required to complete a league-specific quiz before creating or joining an Intramural Sports team. Quizzes will cover pertinent information pertaining to Intramural Sports procedures and sport-specific rules.

**DEFAULTS/FORFEITS**

**Defaults**

Teams that know ahead of time that their team will be unable to play in their scheduled contest must notify the Intramural Sports office via phone (309-438-1174) or email (intramuralsports@ilstu.edu) by **2:00pm on the day of the contest** to avoid a forfeit. For games scheduled on Saturday or Sunday, notification of default shall be received by 2:00pm on the Friday before the contest. Defaults are recorded as a loss for that game, and the team is given a sportsmanship rating of “3”.

**Forfeits**

- Forfeits may be assessed for the following situations:
  - A team is unable to meet the required minimum number of players for their scheduled contest
  - Use of ineligible players
  - Unsportsmanlike conduct, verbal/physical abuse, or any other incident that causes the game to be stopped by the Intramural Sports Officials or Supervisor
- Teams that forfeit in any sport format may not be eligible for the playoffs
- Teams that forfeit twice in a season will result in the team being removed from further competition.
- Forfeiting teams will be assessed a “No-Call, No-Show” fee. The fee will be $20/official for officiated sports or $20 for unofficiated sports, and will be charged to the captain of the team. The fee may be paid at the Welcome Desk of the Student Fitness Center (SFC).
- A team that forfeits a game will receive a sportsmanship rating of “0” for the contest.
  - A team that wins by forfeit will receive a “5” in sportsmanship
- The team that is present at a forfeit shall have at least the minimum number of players to start a game or both teams will be given a forfeit.
- A Competitive Sports team member will call the forfeit at the end of the official 10-minute grace period. The Competitive Sports team member’s decision is final.

**Grace Period**

- Teams shall be ready to play on the playing area with at least the minimum number of players required and have all players’ Redbird Identification Cards checked at the scheduled start time. If a team fails to be present or is unprepared to start the game, a 10-minute grace period shall begin, and the game clock will run for all timed sports.
- If a team uses the grace period, they will start down a sport-specific score penalty and may only earn a max sportsmanship rating of “3”.
- If the team forfeits at the end of the grace period, the final score will reflect the sport-specific grace period penalty. For the sport-specific score, please view the sport specific rules.
- If both teams use the grace period, the score penalties will be foregone but sportsmanship penalties will be enforced on both teams.
Below is an example of the penalty for a team and an individual sport.

**PLAYOFFS**

**Eligibility Standards**
- End the regular season or pool play with an average sportsmanship rating of “3.0”
- Avoid forfeiting any contests during the regular season or pool play

**Advancing to Playoffs – Major Sport Competitive Leagues**

Only the top two teams in each pool will qualify, though this might vary depending on sport. Intramural Staff will communicate to captains if this differs from stated plan. To determine the standings, the following criteria will be used:
1. Regular season winning percentage
2. Regular season team sportsmanship rating average
3. Head to head competition
4. Points allowed

**Note:** As a reminder, there are no playoffs for recreational leagues.

**Seeding in Playoffs**

In most cases, the bracket will be made available for teams to select their place in the bracket. This allows teams to pick the days they are most available. Teams with higher seeding will have access to pick their place in the bracket before those with lower seeding. In cases where the sport is only played on one day of the week, the bracket will be made based on seeding and will not be open for selection. The seeding process will follow the same as the criteria for playoff eligibility.
Rescheduling
During the playoffs, there is a chance that teams will not be playing at their originally scheduled day and time due to facility availability. Teams should look ahead at all future games when selecting their place in the bracket. Once brackets are finalized on IMLeagues, teams may request to reschedule their game if they have a conflict. All requests shall be submitted to IntramuralSports@ilstu.edu or by calling the Intramural Sports office at (309) 438-3705. Teams should give as much notice as possible so the Intramural Sports staff can contact the other team and find an available time. Requests must be made no later than 2:00pm the day of the contest, but earlier is preferred. For games scheduled on Sunday or Monday, requests must be made by 2:00pm on Friday. Not all reschedule requests will be fulfilled. It will depend on opponent, facility, and student staff availability. If teams cannot agree on a reschedule time, then the game will be played at the originally scheduled day and time.

Championship Winners
Intramural Sports champion t-shirts are awarded to winning team members and individual/dual champions of major sport competitive leagues, minor sports, and tournaments throughout the school year. There may be max limits of shirts given out per sport.

Equipment/Uniform
All necessary game equipment will be provided during Intramural Sports contest. However, teams are encouraged to bring their own equipment for warming up. Intramural Sports will provide a game ball for every contest, but teams can agree to use a different ball if they so choose.

All team members must wear appropriate athletic apparel during all Intramural Sports activities. Teams are encouraged to wear matching uniforms or at least a similar color, but there will be Intramural Sports jerseys for checkout, if needed. Any shoe that could possibly endanger another participant (i.e. metal cleats) is prohibited. No one may play in sandals, socks, bare feet, or shoes with hard soles.

All jewelry shall be removed before participating in Intramural Sports activities. Taping over jewelry is not permitted as it could still result in injury to the individual or any other participants. Hard and unyielding items (guards, casts, braces, etc.) on the elbow, upper arm, or shoulder shall be padded with a closed-cell, slow-recovery foam padding no less than ½-inch thick. Knee and ankle braces, which are unaltered from the manufacturer’s original design/production, do not require any additional padding. You must schedule an appointment with the Intramural Sports Coordinator prior to playing if you have a special equipment need (i.e. religious or medical).

Weather
Intramural Sports Cancellation Procedures
Cancellation information will be made available on the Illinois State University IMLeagues page and an email will be sent to all participants. Cancellation decisions are typically made by 2:00 p.m. on the day of play (or on-site if weather develops quickly). If teams have not received an email from the Intramural Sports office that their game is cancelled, games will be played as scheduled.
Makeup Games
Scheduled contests that are cancelled due to inclement weather, facility problems, or reasons beyond the control of the staff will be rescheduled when possible if they occur during league play. However, some reasons beyond our control (facility space, staffing or time limitations) will not allow this. Intramural Sports will not issue refunds for cancelled games that have been rescheduled. A cancelled game will not count for or against a team. If one half or more of the game has been played (or time specified in the rules) the game will stand as a final score and will count as a game played. If game cancellations occur during the playoffs, the Intramural Sports program will reschedule the game or work with the involved teams to find a suitable alternative.

Refunds
If a league or tournament has been cancelled due to weather, lack of interest, or any unforeseen reasons, the entry fee will be refunded by the University. In order to get the refund, the Team Captain or the individual who paid the entry fee needs to fill out the proper application form. For auditing purposes, the reimbursement check must be mailed out (cannot be picked up) and will take up to 10 business days from date of provided address.

Protests
Protests may be made on the basis of player eligibility or when misapplication of the rules involves the outcome of the game. Protests entered on any judgment of an Intramural Sports official will be denied.

Eligibility Protest
Any team protesting the eligibility of any player must file the protest via email to IntramuralSports@ilstu.edu and provide evidence by noon of the next business day following the contest. Such evidence may consist of: written and signed testimony of a witness; days, dates, time validating illegal participation; picture, roster, etc. that can show ineligibility. When an eligibility protest is submitted, the Intramural Sports staff will investigate both the team filing the protest and the team in question to ensure validity of rosters.

Misapplication of Rules Protest
Questions pertaining to misapplication of rules on the part of game official(s) must be addressed to the Competitive Sports Supervisor at the time the misapplication occurs and prior to the next live ball or play. The procedure shall be:
1. If a team feels the official has made a misapplication of a rule, the captain shall immediately request a “time out” and inform the official that they wish to have a ruling on the application by the Competitive Sports Supervisor or other qualified staff present.
2. No protest which involves the judgment of the official(s) shall be upheld. The judgment of the official(s) is final. This also includes the Competitive Sports Supervisor when necessary.
3. If corrections are necessary, the Competitive Sports Supervisor shall rule immediately and the team shall not be charged with a time out. If the official’s application was correct, the team will be charged with a time out.
   • If a team does not have a “time out” remaining, and the official’s application is upheld, the team will be assessed the sport specific penalty for using a time out when none are available.
4. If the participant still does not agree with the decision at the game site, the Competitive Sports Supervisor will assist the participant in filling out the Intramural Sports Protest Form. The contest will continue from this point “under protest.” Protests must be submitted to Intramural Sports staff at the game site prior to the conclusion of the evening.

**SPORTSMANSHIP**

Intramural Sports has developed a sportsmanship rating system that is intended to be an objective scale utilized by the Intramural Sports team members to evaluate attitude and behavior throughout each Intramural Sports contest. After each game, the Officials will rate each team on their sportsmanship before, during, and after each Intramural Sports game. To be eligible for the playoffs each team must average a “3.5” or better throughout the regular season.

A sportsmanship rating below “3” is considered to be ‘unacceptable’. Any team receiving an unacceptable rating will be notified via email. Any team receiving a sportsmanship rating of “1” will be required to set up a meeting with the Intramural Sports Office prior to their next scheduled contest. Failure to do so will result in the forfeiture of any subsequent games.

Teams receiving an unacceptable sportsmanship rating in the playoffs will be eliminated regardless of the outcome of the game. An unacceptable rating in the playoffs will result in that team’s removal from the tournament.

<tr>
<td>4</td>
<td>Good Conduct and Sportsmanship - The team still shows cooperation with officials and opponents but may have some complaints and grumbling. There are no blatant displays of bad attitude. The captain is in control of the team and there are no warnings, yellow cards, or conduct-related penalties.</td>
</tr>
<tr>
<td>3</td>
<td>Average Conduct and Sportsmanship - The team shows momentary lack of cooperation with officials, opponents, or supervisor. There may be consistent complaining but no excessive display of bad sportsmanship. Captain mostly has control of the team. There may be conduct-related penalties.</td>
</tr>
<tr>
<td>2</td>
<td><strong>This is an unacceptable rating.</strong> Below Average Conduct and Sportsmanship - Team constantly comments to the Officials, Supervisor, and/or opposing team from the field and/or sidelines. Poor sportsmanship may include non-verbal and verbal dissent towards officials and/or the opposing team, which may or may not merit sport specific, conduct-related penalties.</td>
</tr>
</tbody>
</table>
| 1     | **This is an unacceptable rating.** Poor Conduct and Sportsmanship - Captain has no control over teammates and/or themselves. Team is completely uncooperative and poorly represents themselves and the Illinois State Intramural Sports Program. Teams, including fans, receiving
multiple yellow cards, a red card, unsportsmanlike penalties, technical fouls, or an ejection will receive no higher than a “1” rating.

If a team feels that they have been rated unfairly during the game, they may file a protest by emailing the Intramural Sports office at intramuralsports@ilstu.edu.

**INTRAMURAL SPORTS DISCIPLINARY PROCEDURES (BEHAVIOR TERMINOLOGY AND PENALTIES)**

Intramural Sports participants are held to a high standard of sportsmanship. The Intramural Sports Disciplinary Procedures were created to reprimand those who do not meet that standard. Anything covered in the Student Code of Conduct applies directly to Intramural Sports competitions and events.

**Rule Violation/Dismissal**

Any time an individual is removed from the remainder of the game for sport-specific rules. (i.e. fouling out, improper equipment, jewelry, etc.).

**Result:** No further action is taken.

**Behavior Misconduct**

The list of misconduct penalties includes, but is not limited to:

- Verbal abuse, or being disrespectful to a participant, Intramural Sports employee, or spectator
- Behavior beyond the bounds of Intramural Sports or facility printed rules and sportsmanship (includes ejections)
- Failure to follow alcohol, tobacco, and drug procedures
- Becoming improperly involved in someone else’s misconduct situation
- Failing to cooperate with Intramural/facility team members and/or rules (i.e., dunking, etc.).

**Result:** The individual(s) involved automatically receives at least a game suspension and probation.

**Fighting**

A fight is a direct conflict that exhibits attempted or actual physical contact between individuals. Swinging with intent to hit, landing a blow, pushing, kicking, or tackling are some examples. Contact does not have to be made for the incident to be considered a fight. If any intent to injure is perceived by the Intramural Sports team members, the incident is automatically considered a fight. Any type of intentional physical contact or altercation with an Intramural Sports team member shall warrant an automatic year suspension. Individuals involved in the above actions will also be reported to University Conduct.

**Result:** A fight is a serious offense that constitutes a semester, year, or lifetime suspension from all Intramural Sports activities. A probation period begins at the completion of the suspension.

**Probation Violation**

Any time an individual on probation is involved in any additional type of incident at the behavior misconduct level or higher, it shall be considered a violation of probation.
**Result:** Any individual who violates the requirements of their probation shall be given a semester, year or lifetime suspension. A probation period begins again at the completion of the suspension.

---

**ALCOHOL, TOBACCO AND DRUG PROCEDURES**

Alcoholic beverages, tobacco products (cigarettes, chewing tobacco, etc.), and drugs are not permitted on or around the Intramural Sports playing areas. Competitive Sports Staff have the authority and responsibility to make decisions based on suspected alcohol, tobacco or drug use by the participants according to their actions, language, or breath odor.

- Participants who appear to be under the influence of alcohol or drugs will not be permitted to participate in Intramural Sports contests. If any member of a team is determined to be in possession of, or under the influence of alcohol or drugs, the team will automatically forfeit the contest and may be barred from further competition.
- Teams will be asked to leave the Intramural Sports playing area in any of these cases and any second offense by the team will result in the team and its players being barred from further competition for the school year.

---

**APPEALS PROCESS**

**Eligible Appeals**

Any individual sanction resulting in more than one week of disciplinary action may be appealed within five business days of being notified. They must follow this process:

1. The participant must email intramuralsports@ilstu.edu to request an appeal. This correspondence should include the reason for the appeal and needs to be submitted within five business days after the decision was made.
   - Appeals should be based on the decision making process and/or the fairness of the process that led to the terms of the disciplinary action
2. The Associate Director will decide to accept or deny the appeal based on a review of the basis for the appeal.
3. If the appeal to the Associate Director is denied and the participant wishes to continue the appeals process, they can request a review by the Executive Director of Campus Recreation.

**Notification and Reinstatement**

When a player is ejected, they will receive an email message notifying them of the indefinite suspension, pending a meeting with the Intramural Sports staff. To continue participation in the Illinois State University Intramural Sports program, a suspended player must:

- Schedule a meeting with the Intramural Sports Coordinator to discuss the incident in detail. The Intramural Sports Coordinator will then set a suspension length based on all information. Games missed prior to meeting with staff will not count toward the suspension to be served.
- Complete the suspension (unless successfully appealed).
The meeting with the Intramural Sports Coordinator must occur before the player is eligible to play again in an intramural league, even a different sport. It is the suspended player's responsibility to contact the Intramural Sports Coordinator to schedule this meeting. It is recommended that the player make this contact as soon as possible due to possible availability constraints. In some cases, the Intramural Sports Coordinator may waive this meeting requirement in lieu of phone or e-mail correspondence. The Intramural Sports Office reserves the right to modify any Intramural Sports rule listed as they deem fit.

**ASSUMPTION OF RISK**

Individuals are encouraged to have a physical examination and obtain adequate health and accident insurance prior to participation in Intramural Sports activities. Individuals who participate in Intramural Sports will be doing so at their own risk. Participation in any activity is voluntary.

- Illinois State University is not responsible for any injury that may occur to individuals participating in any Intramural Sports activity. As a reminder, ISU does not provide insurance coverage for participants.
- If a participant is bleeding, they will be removed from the contest immediately. Before the participant can re-enter the contest, all bleeding must be stopped and any open wound or laceration needs to be covered.
- If a participant has blood on their clothing, they will be removed from the contest upon detection. Even a participant who has someone else’s blood on their clothing will be removed from the contest. The participant cannot re-enter the contest until the clothing has been removed or replaced.
